Fulfilling Philanthropic & Charitable Mission

Focused on upliftment of Meritorious & Deserving Students

Committed towards Advancement of Education.

The **MANNAGUDDE SHIVARAM & SUSHEELA GATTY FOUNDATION** is founded in the profound memory of Late Shri M Shivaram Gatty and Smt Susheela Shivaram Gatty of Mannagudde – Mangalore and is managed by the Trustees who are the members of the Mannagudde Gatty family

Late Shri Shivaram Gatty was a scholar himself having obtained his Bachelor's degree in Arts from the Government College, Mangalore in the year 1930. He was the first graduate from

the Gatty Community. He served as the Sheristedar (Principal Officer) in the Judicial Department (Courts) for over 38 years. Late Smt. Susheela Gatty, a non-matriculate village woman, shared the burden of up-bringing her children by selling milk. Perceiving the value of education, both of them imparted the best education to all their children despite financial difficulties.

Late Shri Shivaram Gatty was the Founder President of the Gatty Samaja Seva Sangha in 1947 and contributed to the formation and development of the Sangha in the formative stage which now has grown into a mammoth Organisation.

To pay our tributes to these great souls who laid the foundation to the Mannagudde Gatty Family, we have formed this Trust in 2015 for continuing their vision of "*Education for All*". This is the fourth year of progress of our Foundation.

The Foundation is a philanthropic charitable Trust, focused on the up-liftment of meritorious and economically deserving students, to achieve higher level of education by extending them support by way of monetary help through periodic and/or annual scholarships besides recognizing the academic achievers.

The corpus of the Foundation is solely contributed by the Trustees.

The Foundation requests all members of the Gatty Community to share the information with their relatives about the Schemes of the Foundation to reach and benefit extremely poor and most deserving Gatty families.

OUR INITIATIVES DURING THE FIRST FOUR YEARS 2015 TO 2019.

Beginning in the year 2015 in a humble way, we have extended our helping hand to the deserving families by announcing Merit Awards for SSLC/10th/SSC Class meritorious Students who have scored highest marks in English and Mathematics subjects (without income limit of parents) and Merit Scholarships for meritorious and economically deserving students who are studying in PUC/11th Class to all Graduation courses as summarised in the table below:
